December 22, 2005

STATE ROUTE 210 BRIDGE WORK AT CALIFORNIA STREET IN SAN BERNARDINO WILL REQUIRE CLOSURE DECEMBER 27-28

California Street in San Bernardino will be closed at the State Route 210 freeway on December 27 and 28 to allow construction crews to build the temporary wood and steel structure supporting the bridge construction. This work will occur from 7 a.m. to 4 p.m.

The detour for motorists is Medical Center Drive via Baseline Street or Highland Avenue. Limited pedestrian access may be allowed throughout the duration of construction. However, pedestrians will be able to cross only on the west side of California Street under the supervision of construction flag persons. Pedestrians also may be required to wait until certain sections of work are completed to allow safe crossing.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember: Safety: It's no accident!
